

THAREQ MUHAMMAD AZANI

Full Stack Web Developer

Jakarta, Indonesia | +62 8111443805 | thareq@azani.dev | <https://linkedin.com/in/thareqazani>

SUMMARY

Versatile IT professional with a background in culinary arts and hotel management, blending creativity with technical expertise to craft immersive digital experiences. A firm believer in the power of growth mindset, I am committed to continuously expanding my skills and knowledge in fullstack web development. Thriving under pressure and excelling in collaborative environments, I am driven by the challenge of bridging technology and hospitality to create innovative solutions.

WORK EXPERIENCE

Freelance Web Developer at bayuramanda.com

March 2024 - Present

- Collaborating with clients to identify their needs for the website.
- Designing the website's user interface.
- Developed the front-end using React. Js.
- Developed the back-end server using Express. Js, Sequelize. Js, and MySQL.

- Sourcing, and evaluating suppliers of products, and negotiating procurement terms, and issuing RFQ/RFP to vendors.
- Process purchase order, and forward it to the appropriate vendors.
- Receive the bought goods and ensure the quality and the quantify of the goods me, met the specific standard, and store them into the appropriate storing place, and process the payments.

PROJECT EXPERIENCE

- **Portfolio Website**

The Personal Portfolio Website project is a showcase of my skills, experiences, and projects as a web developer. Designed and developed from scratch, this website serves as a central hub for potential employers, clients, and collaborators to learn about my capabilities and explore my work.

- **Nginapp - Elevating Your Rental Experience**

Developed Nginapp as a final project at Purwadhika, a cutting-edge Property Renting Web App, to revolutionize the rental experience. Utilizing advanced algorithms, the platform offers users a seamless way to compare accommodation prices based on specific dates, considering factors like national holidays and extended weekends. Nginapp stands as a testament to our commitment to innovation and meeting the evolving needs of the market.
